Here at *JUST 18*, we focus on finding the hottest, horniest young girls to be had and then we get them naked just for you. These gals are so eager to peel off all their clothes and display every inch of their yummy teenaged splendor that at times they can barely control themselves. If we are photographing two girls together they always couple up and fuck for our camera. Same goes if we are shooting a girl and a guy, or a guy and two girls or what have you. Everyone is always raring to get it on and we are happy to have it happen so we can publish wood-inducing pictures for your erotic enjoyment. Take the lovely Madeleine doing the horizontal mambo with Dupree for example, or blond beauties Lena and Tessa ganging up to bang Oliver. There's also the sweet girl-on-girl love fests of Sonia and Natalie plus Grace and Tara, as well as smoldering performances by Amy and Ella. There are many more minxes you'll discover just as soon as you cum inside. So whip out your willie and get to work. Why wait when there's a ton of fresh, frisky, fuckable young flesh waiting for you? And, don't forget, they are all *JUST 18*!

WINK, WINK...

Dear JUST 18: I am writing to you because I am so enamored of all the young ladies in your publication that I was really inspired. I was also inspired to do other things, wink wink. I washed my hands before writing this letter though so you don't need to be grossed out. I learned that the hard way—about washing your hands after you finish wanking. Before I discovered your awesome publication I used to troll around online looking for teenage hotties to turn me on. Sometimes I would rub one out real quick and then go back to work—typing an email or something like that. Then I noticed my computer keyboard was getting just a little bit sticky...well, you guessed it, it was jizz residue. Now I wash my hands after choking my chicken immediately no matter what. I am so glad to have found you J18. Online I had to sift through a ton of gross crap I didn't want to see in order to find one good photo set of slutty, REAL 18-year-old chicks. You guys get right to the good stuff.—Larry in LA

BEAUTIFUL ANGELS

Dear JUST 18: Who had any idea that there were so many beautiful angels on this earth so willing to share the heavenly gift of their nudity with the rest of us. I have some of the best orgasms of my life in honor of the loveliness of the ladies in your magazine. So of them are so exquisitely beautiful that it takes my breath away. It definitely takes my urges away. Or, rather, it makes my urges so strong that I give into them and allow them to swallow me whole and engulf my entire body with passion. I love masturbation.—Ronny in "None of Your Beeswax"

FINE ASS PIECES OF ASS!

Dear J18: I love bitches and ho's, 'specially young ones. You have some fine ass pieces of ass in your collection. Are you able to access any one of them any time you want? That's what I'd like to do, fix me a stable of sexy, hot-to-trot girls that would all be at my beck and call any old time I felt like getting my dick wet. I feel like that a lot, truth be told.—Shawn in WA

IN THE BUSH

Dear JUST 18 Magazine: Blonde gals are my favorite and you do publish a few of them from time to time. I very much prefer those that are naturally blond, because I like me a nice plush blond bush. I'd like to explore a bush like that with my fingers first and then my tongue and then finally I'd like to leave a warm pile of seed atop it straight from my pecker. Bushes are so wonderful and they are the what God intended a woman to have between her legs so I don't know why we all go out of our way to erase that. Bring on the bush, I say. The blonder, the better.—Davey in IA

SANS SOCKS

Dear J18: Although I like the little feet and toes of the girls in your pictures I would like to request that you print more of them wearing tennis shoes and sneakers. Without socks, preferably. Socks can be little bit distracting, I find. I'd especially like to see girls getting stuck by a well-endowed young man all the while their feet are shod. I don't know what it is about the tennis shoes of young ladies that turns me on so much. Perhaps it is the contrast of seeing their tight pussy so near to the canvas and rubber soles of the shoes. I know all of their pussies are so tight and wet and warm. That is something you can just tell by looking at them. But then the sneakers are just so ordinary in contrast with the extraordinary-ness of their young girl vaginas that I cannot control myself. I am getting worked up just now thinking about it in so much detail.—Barney in Alameda

WRIGGLING AND SPREADING

Dear Editor: Why in the world am I writing a letter to a pornographic publication? I don't rightly know. I have never done this before and what makes it even stranger is that the copy of JUST 18 I purchased is probably only the third or so "gentlemen's" magazine I have ever purchased in my entire lifetime. I was just so moved by the beauty of the girls depicted hovering at the very edge of their womanhood. The ripeness of an 18-year-old gal is something that has no compare. I had a few 18-year-olds in my time but that was way back when I myself was only around 19 or so but even though I have experienced plenty of other good women since then I still remember those perfect young bodies beneath me wriggling and spreading themselves open. That is why I was so taken by your publication, it stirs up those specific memories better than anything else I have ever known. I guess I just wanted to write in and thank you for that.—Benjamin in NC

CRISSY

Winter is totally my favorite season. I love getting all bundled up and going out into the cold, there's something about it that makes me crazy horny. I can never resist lifting my top up so that I can feel the frosty air sting my titties. My nips get so hard so fast! Then I usually get overcome by the need to get off so I race back indoors and have myself. I peel my layers off one by one—my coat my scarf, my sweater, my jeans my panties...but I always leave my hat on. I have a fluffy white comforter I like to lay on because it's so soft and I pretend that I'm fingering myself in a snowbank. Only this one doesn't melt no matter how hot I get. Which is good 'cause the only thing I like being soaked is my cunny.

**MADELEINE &
DUPREE**

So I went on a date with this guy named Dupree and everyone warned me to be careful because he is a player. But he seemed really cute and nice and even brought me one red rose. We started making out and he was an awesome kisser so I let him feel me up. Then he undid my jeans and munched my box nice and slow. He was so gentle that I got really wet really fast. Suddenly I wanted him inside me so bad. I sucked his cock a little to get him ultra hard and then I begged him to take me. When he pushed his boner against my pussy it popped right in and felt like magic. He fucked me in mish a while before whispering in my ear that he really liked me and then he slid himself right into my ass! I'd never done butt sex before but it was alright. Dupree sure dug it because before I knew it he was spooging all over my tummy. I sure do hope he calls me again.

TO THE CUNNY!

Emily and I were laughing as we came back into our dorm room. What an afternoon we'd had! It was a day at the end of last August, just after sophomore year began (it's crazy that our college year starts so early, right?), and we'd decided on the spur of the moment to shoot our own "swimwear calendar" as a treat for our friends at school. Kind of a joke, you know? But not totally.

We'd gone down to the garden in the middle of the dorm complex to do it. Sure, we wanted people to see! Getting them texting about it. Juicy campus gossip about Emily and Olivia! We took twelve poses, alternating by the month, and wearing twelve different bikinis or one-pieces. I was "Girl January" in my red bikini, and Emily was "Girl February" in her pink one-piece, and so on.

We did it just like the girls in *Sports Illustrated* or *Playboy*, but more serious! One picture where Emily frowned was too much! What a silly face she made. Her lower lip down to her toes almost! Her titties still looked sexy though and were the center of the picture. It was fun, and we were using the Nikon my father gave me for my birthday last June.

Our plan was to assemble the calendar on our computers and print it out. Everybody at our college is way too serious, and we knew it would stir up a little controversy too, like it was a bad sexist thing. Emily and I are two troublemakers.

But until that afternoon, we still hadn't been lovers...

Other students had been watching us shoot our pictures. A lot were horrified, but some were cool. Their comments were funny. "Oooh, baby, I want to pin you on my

wall!" some dork said. But somebody else threatened to call the Resident Assistant on our wing and complain, and we said, "Go ahead!" But we were almost finished anyhow.

When we got back to our room, we closed the door and collapsed on the bed. We were hardly wearing anything, and we took off the last two suits from our shoot. I suddenly realized one of the things I missed most about summer vacation away from college was not being naked around Emily. I mean, all through freshman year we'd close the door and lay around naked while we studied. We didn't do anything else, though, it was like being nude was the whole point. We didn't sleep in the same bed or anything, and to be honest I didn't think about fooling around with Emily. At least not consciously.

Maybe in my dreams, though. I did have weird dreams that I guess when I think about them now might have been a little "lesbionic." You like that word? I made it up myself. In my dreams Emily and I would be in a pink box eating cupcakes or crazy stuff like that.

Lesbionic. It sounds more intense than plain old "lesbian," don't you think?

But that afternoon, when we closed the door and got naked and comfortable after our photo shoot, something felt different. We lay on Emily's bed together, talking. About how long the summer had been. How hard it was to go back to being our mommies' and daddies' "kid" again, just because we were at home for the summer after freshman year. Or at least how they made us feel that way.

I fell back on the pillow and looked up at the ceiling. I could hear Emily talking about how boring her summer had been and that she'd only got laid once. "That was once more than me," I

said. I could feel the warmth of her naked body next to me, but not because we were touching, because we weren't. It was warmth like a little cloud coming off her face and her hair, her boobs and her belly, her cunny and her legs.

"Why did we just do that shoot downstairs?" Emily said.

"Fun, right?"

"Or maybe to lead to something else, eh Livi?" Emily calls me Livi instead of Olivia. She's the only one.

"What something else?" I said, my breath catching in my chest. I looked down and saw my nipples harden, and then I saw Emily's hand on them, her fingers cupping them, rubbing. "Maybe you and me something else," she said, and her face got close.

I was amazed by how I just wanted to lay there and feel her moving over me. I think I knew it all summer, knew that

I'd wanted this, was waiting for this to happen. So I turned to her and looked into her eyes and nodded.

Oh she tasted so good as she pressed her mouth against mine and slid her tongue inside. She was gentle, and she didn't move her body over me, but just closer, next to mine. I had slept next to girls at sleepovers but never naked. This was her naked body from her hair to her toes stretched next to me. Our toes rubbed, flicked at each other. Then Emily took my face in her hand while she kissed me, and I liked that, it was as if she was taking possession of my face, and I kissed her back even harder.

She finally crawled on top of me and I could feel her warm cunny over mine, it felt like our cunnies were breathing together like our mouths were, and then I shifted my right leg out and bent it and Emily nestled her body between my thighs, moving down to kiss my nipples. I held her hair in my hands, let it run through my fingers, as I felt her lips kissing down my tummy until I could feel her breath right over my mound, kissing it.

I was smooth and shaved but I hadn't touched myself up in three days and I could feel her tongue against the little bristles, and she scraped her teeth lightly against me, her eyes laughing while she did it. Then she kissed my cunny full on and slid her tongue into the groove. I thought my eyes were going to break I closed them so hard as I let out a moan that probably echoed through the dorm wing.

"Shh, Livi," Emily said, laughing, "we already gave them one show, this is just for us."

I lay back with my head against the pillow and opened my thighs so Emily could lick me. She did it with long strokes and then she concentrated with little flicks on

my button. I grabbed the bed-sheets instead of her head because it made me feel more excitingly helpless to lay that way, not touching her, not controlling her, just surrendering to her tongue and lips. I kept my eyes closed and thought of how nice she'd looked as we shot our silly little calendar, sticking out her butt in a polka dot bikini bottom, or pushing up her boobs with her forearm against her splashy scarlet one-piece. I guess I was wanting her every time I pressed the button to take a picture, and it was my way of licking her without actually doing it.

Licking her. I was going to be able to do that now. But first, first, let her finish me, I thought, I've wanted it for so long, all through last year, all through this summer...

I heard myself making little cries as she kept lapping, and I wrapped my legs and bare feet around her back because suddenly I was afraid she would disappear before finishing. But

no, she didn't, she kept eating and licking and sucking and then I was cumming, and I don't know how loud I screamed because I almost went deaf for a moment from the roar of pleasure in my head.

"I guess you really DIDN'T get laid!" Emily laughed, looking up at me from between my thighs with the sweat pouring down her face.

"I didn't lie. I was waiting for you," I

told her. "Were you really waiting for me?"

"Yep. Just couldn't figure out how we'd start."

"Well, we came up with a way," I said, thinking of our fashion calendar, and wondering if we'd ever finish it, lay it out, edit it, print it. After all, it wasn't so much our calendar as it was our foreplay! 

GRACE & TARA

The other day I met this girl Tara when I was out wandering around. We got along really well, so when she asked if I wanted to come back to her place to hang out for a while I went. When we got upstairs she just, you know, started kissing me. It felt really good. Then she took off my undies, spread my legs wide and started kissing my va-jay. I'd never been with a girl before so I just sort of let her do whatever she wanted I guess, because she obviously knew her way around down there. She made me cum pretty fast and then she taught me how to eat her out. I loved the sweet smell of her pussy and how silky her girl bits were beneath my tongue. I must have done it okay because she said she came too, and then we spent the rest of the afternoon exploring each other's bodies. I sure learned a lot from my new friend!

amy

I'm not stuck up or anything but I really love my body. Who says you need a big rack to be hot? That's just stupid. My boobs are on the small side but I adore them. They fill out a bikini top just fine and my nipples are crazy sensitive—I'm not even kidding.

I've made myself cum before just by pinching them and if that's not awesome than I don't know what is. My favorite way to cum though is when my boyfriend fingerbangs me. He kisses me really deep and holds one titty tight in one hand while he sticks a couple of his thick digits deep inside me until I get off. Then I usually give him a handy or a bj, depending on my mood. I haven't gone all the way with him yet but I'm thinking of letting him fuck me soon. I feel totally ready to finally lose my V!

titties like

**LENA,
TESSA
&
OLIVER**

All my boyfriend Oliver wanted for his birthday was a threeway so I asked this hot girl Lena if she'd be down to get it on with us. She totally was and came over. At first we were all just giggling and playing around and then things began to happen. She kissed me and I kissed back. Then she and Oliver were both sucking my tits and then I was sucking his cock while Lena danced naked in front of us. He fucked me first—from behind while Lena and I frenched. Then he started banging her out and when I bent down to lick her clitty, I realized that his cock was totally up her ass. He never did anal with me! WTF?! I was all jealous and turned on so I made him pull out and put it in my mouth instead while Lena hovered nearby with her butt hole gaping. And he came right on it! But then I kissed Lena so she'd know that everything was cool. Threeways can be sort of complicated. **18**

MARCELLA

30496

My real name is Marcella but everybody calls me Bubbles. That's 'cause I've got such an effervescent personality! I'm always in a good mood, I don't think I've ever been mad in my entire life. Sometimes people ask me what my secret is to staying positive all the time and I tell them orgasms! Make yourself cum more, I say to them. Seriously, I make myself cum all the time. When I am home by myself I am always either lying about in post-O bliss or I am working my way there. My favorite way to masturbate is just by using my fingers. No fancy didlos or vibrators for me! I prefer to depend on myself to get me off, not on some batteries. I rub my little pussy till it's happy and that happiness spreads throughout my entire body. You'll never see me without a smile on my lips! 

The key
to a positive
attitude

SONIA & NATALIE

Life was pretty boring until this new girl Natalie moved next door. She's got these crazy piercings in her tongue—not one but two! I noticed them the first time I met her. I could see something shiny in her mouth every time she spoke. I asked her to show me and she said sure, if I would come up to her room. So I went and then she totally put the moves on me! I don't know why I didn't freak out, maybe because secretly I'd been wanting to try it with a girl and Natalie really turned me on. So now we get it on practically every day. She can do magical things with her hands and tongue. Sometimes we use fun sex toys too. Once she made me cum so hard my puss totally spazzed out and twitched for hours afterwards. It was amazing!

ELLA

When I feel horny I have to stop everything and have myself, no matter what. It may sound weird but that's just the way that I am. The other day I was out in the woods sledding after a beautiful snowstorm and my pussy sent this message to my brain that said, "Play with me, bitch. NOW." So I had no choice but to frig my bean right there in the snow. Luckily I always carry a vibrator stuffed full of brand new batteries especially for emergencies like this so I can give myself a really great O anytime, anywhere. I pulled it out, yanked my pants down and plugged it right into my puss. Dang, it felt good. I could see my breath in front of me and hear my moans ricochet in the silence. By the time I came I was so hot that the snow was starting to melt all around me! 

She's
hornier than
